

CURRICULUM VITAE

Priscila dos Santos Silva

Personal Information

Organization University of São Paulo – Brazil
Faculty of Animal Science and Food Engineering
PhD student

Contact

Address: Rua Antônio Magnani, nº 419, Aptº 09, Vila Pinheiro, Pirassununga,
São Paulo, Brazil

ZIP code 13630-310

Telephone: +55 19 983237483

Email: pri.vet@usp.br

Expertise

Veterinarian
Specialist in ruminant clinic and surgery
Master of Science in Animal Science
PhD student in Animal Science - Animal physiology with emphasis in
physiology of stress and mammary gland

Academic qualifications

2018 – 2021

(actual)

PhD student in Animal Science
Faculty of Animal Science and Food Engineering
University of Sao Paulo- Brazil

2016 – 2018

Master of Science in Animal Science
Dissertation title: Influence of heat stress at final gestation period:
alterations in placenta and goatlings` performance
Faculty of Animal Science and Food Engineering
University of Sao Paulo- Brazil

2014 – 2016

Specialist in animal health and public health
Faculty of Animal Science and Food Engineering

University of Sao Paulo- Brazil

2008 – 2014

BS in Veterinary Medicine
Faculty of Veterinary Medicine and Animal Science
Federal University of Bahia

Additional Education

- 2017 Fiebre Aftosa: Atención de Denuncias y Emergencias Sanitarias
04 April
Food and Agriculture Organization of the United Nations (FAO)
- 2017 MilkDay - Milk Production Precision Day
Precision Day
12 August
School of Agriculture "Luiz de Queiroz"
Piracicaba-SP - Brazil
- 2017 "Neurobiology of emotions"
Center for Comparative Studies in Health, Sustainability and Welfare
09 March
Faculty of Veterinary Medicine and Animal Science
University of Sao Paulo- Brazil
- 2017 Animal Science of precision in the study of thermal equilibrium in
animal production
VII Brazilian Congress of Biometeorology, Environment, Behavior and
Animal Welfare
30 July to 02 August
Jaboticabal-SP-Brazil
- 2016 Susceptibility of stress during lactation
Center for Comparative Studies in Health, Sustainability and Welfare
16 June
Faculty of Veterinary Medicine and Animal Science
University of Sao Paulo- Brazil
- 2016 Web of Sciences, Journal Citation Reports, Essencial Sciences
Indicators e EndNote Web
30 March
Faculty of Animal Science and Food Engineering
University of Sao Paulo- Brazil
- 2016 Polioencephalomalacia in Cattle
Academic Week of Veterinary Medicine
25 August
University Center Moura Lacerda
Ribeirão Preto- SP- Brazil

- 2016 Verminose in Small Ruminants
Academic Week of Veterinary Medicine
25 August
University Center Moura Lacerda
Ribeirão Preto- SP- Brazil
- 2016 Health assessment of the herd - How to associate with the OPG?
SIMPROPIRA
12-13 March
Faculty of Veterinary Medicine and Animal Science
University of Sao Paulo- Brazil
- 2015 I Symposium on Clinical Illness in Ruminants
28-30 August
Faculty of Veterinary Medicine and Animal Science
State University of São Paulo "Júlio de Mesquita Filho" (Unesp),
Botucatu Campus
Botucatu-SP-Brazil
- 2015 2° Regional Workshop on Surveillance of Neurological Syndromes in
Herbivores
28 August
Agricultural Defense Coordination CDA/SAA-SP in conjunction with
the Regional Technical Agricultural and Livestock Unit /UTRA -
Ministry of Agriculture, Livestock and Supply in the State of São Paulo
Botucatu-SP-Brazil
- 2015 Diagnosis and Treatment of Cattle Diseases
27-29 July
Faculty of Animal Science and Food Engineering
University of São Paulo
- 2015 XI Brazilian Congress and XVII Latin American Congress of Buiatrics
22-24 July
Brazilian and Paulista Associations of Buiatria
São Paulo-SP-Brazil
- 2015 5° Integral Milk International Symposium - Transition Period: The most
important days of a cow's life
08-09 April
Integral Milk Magazine and AgriPoint Consultoria Ltda
Curitiba-PR-Brazil
- 2015 Animal Reproduction
22 July to 04 September
National Rural Apprenticeship Service – SENAR
- 2015 Nutrition and Food Management in Milk Cattle

03 June to 17 July
National Rural Apprenticeship Service - SENAR

- 2014 Short Course in Andrology in Small Ruminants
01-05 September
Faculty of Animal Science and Food Engineering
University of São Paulo
- 2014 Welfare and sustainability
13 November
Center for Comparative Studies in Health, Sustainability and Welfare
Faculty of Veterinary Medicine and Animal Science
University of Sao Paulo- Brazil
